Mixture description

Stable and homogeneous mixture of nitrogen
organic fertilizer in pellets (blood meal,
hydrolized animal skin, etc.), products present in
Section 5, Table I, Part II, Annex 13 of Italian
Decree No. 75/2010.

Information along the supply chain

REACH registration number of the substances
constituting the mixture: not provided because
they are substances found in nature, exempted
from registration under Article 2, paragraph 7 (b)
and Annex V, paragraph 7 of Regulation
1907/2006 / EC.

Substances subject to authorization: None
Restrictions on substances: None.

Safe Use

For agriculture only.

Outdoors Dispersive Use.

Store in closed containers and protected from the

sun, away from heat sources and flammable
materials.

First Aid measures

Inhalation: Remove from exposure. In severe
cases, or if recovery is not rapid or complete seek
medical attention.

Ingestion: Wash out mouth with water. Do not
induce vomiting. If patient is conscious, give
water to drink. If patient feels unwell seek
medical attention

Eye Contact: Irrigate thoroughly with water for at
least 10 minutes. Obtain medical attention.

Skin Contact: Rinse with plenty of water. Remove
contaminated clothing and wash before reuse. If
irritation persists seek medical attention.

Fire fighting measures

Fire extinguishing media: Use extinguishers
suitable to cause of fire.

Special fire fighting procedures: Irritating
substances may be emitted upon thermal
combustion so self-contained breathing
apparatus will be required.

Accidental release measures

Personal Precautions: Wear suitable protective
clothing

Environmental Precautions: Prevent large
quantities from contacting vegetation or
waterways. Keep animals away from large spills.
Methods for Cleaning: Vacuum or sweep up and
place into approved containers for later disposal.

Handling and storage

Handling: Avoid contact with eyes. Avoid
repeated or prolonged contact with skin or
clothing.

Avoid dust inhalation. Wear suitable protective
clothing.

Storage: Store under cool dry conditions.

For urgency contact 24/24 hours Poison Control
Centers
