Mixture description

Stable and homogeneous mixture of liquid
hydrolized vegetable derivatives; product present
in Italian Decree 206/2005.

Information along the supply chain

REACH registration number of the substances
constituting the mixture: not provided because
they are substances found in nature, exempted
from registration under Article 2, paragraph 7 (b)
and Annex V, paragraph 7 of Regulation
1907/2006 / EC.

Substances subject to authorization: None

Restrictions on substances: None.

Safe Use

For agriculture only.

Outdoors Dispersive Use.

Store in closed containers and protected from the
sun, away from heat sources and flammable
materials.

First Aid measures

Ingestion: Wash out mouth with water. Do not
induce vomiting. If patient is conscious, give
water to drink. If patient feels unwell seek
medical attention

Eye Contact: Irrigate thoroughly with water for at
least 10 minutes. Obtain medical attention.

Skin Contact: Rinse with plenty of water. Remove
contaminated clothing and wash before reuse. If
irritation persists seek medical attention.

Fire fighting measures

Fire extinguishing media: Use extinguishers
suitable to cause of fire.

Special fire fighting procedures: Irritating
substances may be emitted upon thermal
combustion so self-contained breathing
apparatus will be required.

Accidental release measures

Personal Precautions: Wear suitable protective
clothing

Environmental Precautions: Prevent large
quantities from contacting vegetation or
waterways. Keep animals away from large spills.

Methods for Cleaning: Vacuum or sweep up and
place into approved containers for later disposal.

Handling and storage

Handling: Avoid contact with eyes. Avoid
repeated or prolonged contact with skin or
clothing.

Wear suitable protective clothing.

Storage: Store under cool dry conditions.

For urgency contact 24/24 hours Poison Control
Centers
