**DUTY TO COMMUNICATE INFORMATION  
TECHNICAL DATA SHEET (REACH art. 32)**

**E 130**

**Under Art. 32 of EC Regulation 1907/2006**

**Issue Date : 15<sup>th</sup> May 2013**

**Version n. 1**

**Information Sheet for the downstream users of  
non dangerous substances and mixtures under  
Article. 32 of EC Regulation 1907/2006 (REACH)**

**Product identification**

Names: Acetic acid, oxo-, sodium salt, reaction products with ethylenediamine and phenol, iron sodium salts

CAS 84539-55-9, EC 283-044-5

Trade name: **E 130**

Use: in agriculture as fertilizer

The products meets the requirements of EC Regulations 889/2008 implementing EC Regulation 834/2007 on organic production

Manufacturer: various

**Responsible of placing on the market**

L.E.A. S.r.l. Società Unipersonale

**Product description**

Liquid fertilizer (Iron chelated), products present in Table I, (EC micronutrient fertilizers), Annex 13 of Italian Decree No. 75/2010

**Information along the supply chain**

The supplier of a substance on its own or in a mixture who does not have to supply a safety data sheet in accordance with art. 31 (EC Reg. 1907/2006) shall provide the recipient with the following information:

- a) REACH registration number of the substance: 01-2119487279-21-XXXX
- b) Substances subject to authorization: None
- c) Restrictions on substances: None.
- d) Relevant information necessary to enable appropriate risk management measures:

**Safe Use**

For agriculture only.

Outdoors Dispersive Use.

Store in closed containers and protected from the sun, away from heat sources and flammable materials.

**First Aid measures**

Inhalation: Remove the victim from exposure into fresh air immediately if adverse effects (e.g. dizziness, drowsiness or respiratory irritation) occur. If not breathing, give artificial respiration or if breathing is difficult, give oxygen and seek medical advice. Do not use mouth-to-mouth respiration. Seek medical advice immediately when vapours are intensively inhaled.

Ingestion: Seek medical advice if the victim feels unwell. Wash out mouth with plenty of water and give plenty of water to drink. Do not induce vomiting. Never give anything by mouth to an unconscious person. Seek medical advice if symptoms occur

Eye Contact: Immediately wash eyes with plenty of running water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Remove contact lenses if present and easy to do. Seek medical advice if irritation develops and persists.

Skin Contact: Wash affected skin area with plenty of water and soap for at least 15 minutes thoroughly while removing contaminated clothing and shoes. Seek medical advice if irritation develops and persists.

**Fire fighting measures**

Fire extinguishing media: Use extinguishers suitable to cause of fire.

Special fire fighting procedures: Irritating substances may be emitted upon thermal combustion so self-contained breathing apparatus will be required.

**Accidental release measures**

Personal Precautions: Wear suitable protective clothing

Environmental Precautions: Prevent large quantities from contacting vegetation or waterways. Keep animals away from large spills.  
Methods for Cleaning: Vacuum or sweep up and place into approved containers for later disposal.

**Handling and storage**

Handling: Use with adequate ventilation. Local exhaust ventilation should be provided. Avoid contact with eyes, skin and clothing. Avoid creating dusty conditions and prevent wind dispersal. Keep away from sources of ignition. Avoid contamination by any source including metals, dust and organic materials. Keep away from moisture (for solid product).  
Avoid dust inhalation. Wear suitable protective clothing.  
Storage: Store under cool dry conditions.
