**DUTY TO COMUNICATE INFORMATION
TECHNICAL DATA SHEET (REACH art. 32)**

Acidi Umici Plus

Under Art. 32 of EC Regulation 1907/2006

Issue Date : 15th May 2013

Version n. 1

**Information Sheet for the downstream users of
non dangerous substances and mixtures under
Article. 32 of EC Regulation 1907/2006 (REACH)**

Product identification

Names: Humic acids, potassium salts (CAS 68514-28-3, EC 271-030-1), UVCB substance of variable composition.

Trade name: **Acidi Umici Plus**

Use: in agriculture as fertilizer

Manufacturer: variable

Responsible of placing on the market

Product description

The product does not meet the criteria for classification as dangerous, Humic acids, potassium salts are present in Section 2.4 (number 6), Annex 6 of Italian Decree No. 75/2010

Information along the supply chain

The supplier of a substance on its own or in a mixture who does not have to supply a safety data sheet, in accordance with art. 31 (EC Reg. 1907/2006) shall provide the recipient with the following information:

- a) REACH registration number of the substance: not provided, the substance benefits of the transitional period until 31 May 2018 (art. 23 of the EC Reg. 1907/2006);
- b) Substances subject to authorization: None
- c) Restrictions on substances: None.
- d) Relevant information necessary to enable appropriate risk management measures:

Safe Use

For agriculture only.
Outdoors Dispersive Use.

Store in closed containers and protected from the sun, away from heat sources and flammable materials.

First Aid measures

Inhalation: Remove from exposure. In severe cases, or if recovery is not rapid or complete seek medical attention.

Ingestion: Wash out mouth with water. Do not induce vomiting. If patient is conscious, give water to drink. If patient feels unwell seek medical attention

Eye Contact: Irrigate thoroughly with water for at least 10 minutes. Obtain medical attention.

Skin Contact: Rinse with plenty of water. Remove contaminated clothing and wash before reuse. If irritation persists seek medical attention.

Fire fighting measures

Fire extinguishing media: Use extinguishers suitable to cause of fire.

Special fire fighting procedures: Irritating substances may be emitted upon thermal combustion so self-contained breathing apparatus will be required.

Accidental release measures

Personal Precautions: Wear suitable protective clothing

Environmental Precautions: Prevent large quantities from contacting vegetation or waterways. Keep animals away from large spills.

Methods for Cleaning: Vacuum or sweep up and place into approved containers for later disposal.

Handling and storage

Handling: Avoid contact with eyes. Avoid repeated or prolonged contact with skin or clothing.

Avoid dust inhalation. Wear suitable protective clothing.

Storage: Store under cool dry conditions.

For urgency contact 24/24 hours Poison Control Centers
